Five Reasons Why You Should Buy and Build in Westham:

FIRST.

Because prices are cheapest.

SECOND.

Because lots are sold on easy terms.

THIRD.

Because the sections surrounding the Country Club and the Richmond College have built more substantial buildings in the past year than any suburban settlement in the country.

FOURTH.

Because Westham Land Company is not sparing any expense in beautifying the property in the way of roads, electric lights, shade trees, etc.

FIFTH.

Because by the time the nice homes already in construction are finished and the college built, the same land you now buy by the acre will then sell by the front foot, and more than DOUBLE your money.
